

FESTIVAL PACKAGES

From time to time we are contacted and are asked for what could be described as a 'Festival Tipi'. It can be where customers are having a Garden or Evening Party and just want some cover from the possibility of poor weather. It could be that it's a Birthday Celebration for a younger family member who has their own ideas about lighting, seating and decoration. So, we have devised a package and called it just that - a Festival Package. The prices still include VAT, labour to build and take down your Tipi, free delivery up to 30 miles from our depot in Woburn and we do not charge a damage waiver.

You can of course make additions to the Festival Package should you want a few tables and benches or a Giant Fire Pit or indeed anything we have to offer. Included in this brochure is a list of those items that you are welcome to choose from. To identify what will give you the best value and create a great Tipi atmosphere just contact us and ask for our advice. We have been building Tipis for years and love helping people to create a great party.
